

Xiaomi Smart Air Fryer 4.5L

Intelligent cooking for smart life

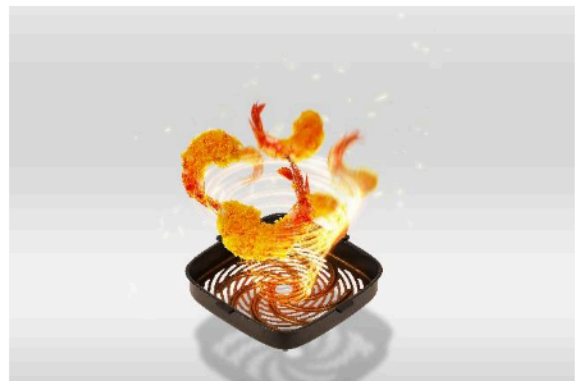

ID: 55029 SKU: BHR8236TH

[TH Version] Model: MAF14

360° convection heating for
even, flip-free cooking

The upgraded circular air duct improves air circulation and airflow distribution, sending hot air directly to the frying basket, heating evenly with no need for flipping.

A variety of recipes made easy

Connect to the Mi Home/Xiaomi Home app to access over 100 smart recipes, including healthy snacks for kids, low-fat light meals for mums and several other easy yet delicious dishes.

With micro switch controls, you can check or add ingredients anytime

The basket can be pulled out so you can check the food status or add ingredients at any time. When the basket is removed, the fryer automatically powers off. When it's placed back, the fryer resumes cooking without the need to adjust your settings, making it effortless to use.

NTC electronic temperature control to prevent burning or undercooking

Built-in NTC smart temperature control technology ensures precise temperature control during baking putting an end to burning or undercooking caused by inaccurate temperature control.

Voice Control
"Ok Google, turn on the Air Fryer"

Voice control with Google Assistant-enabled devices
