xiaomi Multifunctional Rice Cooker **1.5L**

Compact size, ultra-fast cooking

ID: 58614 SKU: BHR9138TH

[VN Version] Model: MFB05M0-4

30

30-minute ultra-fast rice cooking

Efficient 1.5L capacity

Glass touch panel

Covers an small area

Non-stick inner pot

24-hour delay timer

Round-the-clock temperature retention

Dual upper and lower temperature sensors

30-minute ultra-fast rice cooking for meals in a flash

Prepare fragrant rice in 30 minutes*, saving time while satisfying hunger.

Adequately sized to minimise waste, it's ideal for individual meals and shared dining

Perfect for 1 to 3 cups of rice, yielding up to 6 bowls. Ideal for solo diners, couples enjoying hot pot together, or even for baby food. It can cater to your diverse culinary needs.

Compact design with ample capacity

Compact, portable, saves space and is easy to store. Take it wherever you need it.

High-quality glass touch panel designed for user-friendly interaction and convenience

The ultra-clear glass panel is easy to clean and scratch-resistant. A user-centred interactive design and controls on top make for convenient operation.

Non-stick inner pot for hassle-free cleaning

The water-based inner pot coating ensures rice and porridge don't stick and makes rinsing effortless.

Dual upper and lower temperature sensors for cooking without constant supervision

Dual upper and lower temperature sensors constantly monitor cooking temperatures and make automatic power adjustments to prevent the rice from boiling over

Product Overview

Specifications

Name: Rice Cooker	Model: MFB05M0-1
Rated Voltage: 220 V-240 V-	Rated Frequency: 50-60 Hz
Rated Power: 320-380 W	Material of Inner Pot: Aluminum Alloy
Rated Capacity of Rice: 0.48 L	Rated Capacity of Water: 1.5 L
Item Dimensions: 196 × 221 × 181 mm	Off Mode: 0.4 W
