

Xiaomi Night Light 3

Illuminates your path with a gentle light, casting a comforting glow during dark nights

ID: 58251 SKU: BHR8978GL

Charging quickly and a long battery life

- With a built-in 600mAh lithium battery, 8 months battery life when using sensor-activated low brightness lighting
- Supports Type-C charging and fully charges in approximately 3 hours.

Smart dual sensor detection

- Automatically lights up when motion is detected within a wide 120° range, without needing to press any buttons

Soft ambient glow

- Diffused gentle glow for a cosy ambience with two brightness levels to suit your needs
- 3lm at low brightness and 15lm at high brightness

Effortless switching between two modes

- Switch effortlessly between sensor and constant light modes to enjoy comfortable night lighting that works around you.

Specifications:
