Large-Scale Entertainment with Ultra-Large Displays

Xiaomi TV Max 85 2025 offers an extraordinary home theater experience with ultra-large QLED displays designed to transform your living room into an immersive entertainment hub. Featuring 4K UHD resolution with a stunning 94% DCI-P3 (Typ.), these displays provide vibrant colors, deep contrasts, and crisp detail, ideal for movie nights or gaming marathons. With a 144Hz refresh rate and 4K 120Hz MEMC technology, enjoy seamless playback for high-speed sports, action films, or gaming. Game Boost mode elevates the experience further with an incredible 240Hz refresh rate, ensuring ultra-smooth visuals that capture every fast-paced moment.

Dive into an Immersive Audio-Visual Experience

Xiaomi TV Max 85 2025 is designed for those seeking an immersive home theater experience on a large display. Equipped with Dolby Vision® for stunning color accuracy, contrast, and brightness and Dolby Atmos® with 2 x 15W speakers delivering powerful stereo sound, these TVs transform any room into a cinematic environment. For movie enthusiasts, Filmmaker Mode ensures films are displayed as the director intended, free from unnecessary processing. Gamers can enjoy ultra-smooth performance with HDMI 2.1 ports, 144Hz VRR support, and AMD FreeSync™ Premium, delivering responsive gameplay with latency as low as 4ms[8].

Unleash Powerful Performance with AI-Enhanced Precision

Xiaomi TV Max 85 2025 redefines immersive home entertainment with its expansive full-screen, bezel-less design, delivering a truly cinematic experience for large families and home theater enthusiasts. Powered by a Quad Cortex-A73 processor and Mali-G52 (2EE) MC1 GPU, this TV offers enhanced AI-driven image processing with AI PQ for superior picture quality and AI SR for sharper resolution. The integration of Google TV™[3] provides easy access to your favorite movies, shows, and live TV[9], with support for Google Assistant[10] and Chromecast[6] built-in™. With 3GB RAM and 32GB storage, it's perfect for multiple use cases. You can even control your TV using Xiaomi Watch 2[11], eliminating the need to search for a remote—just access Xiaomi TV Remote app on your watch for seamless connectivity and control.
