

# Xiaomi Wireless Mouse 3

|       |                 |
|-------|-----------------|
| PINK  | 57942/BHR8911GL |
| WHITE | 57943/BHR8912GL |
| BLACK | 57944/BHR8913GL |
| BLUE  | 57945/BHR8914GL |

- **Elegant curves, comfortable feel.**  
Repeated external appearance refinement, meticulously crafted ergonomic contours provide comfortable palm support. Delicate surface processing enhances the skin-friendly grip sensation.
- **Colorful**  
White, black, pink, and blue – four contrasting color combinations for you to choose from, showcasing your fashion and personality, while adding a versatile touch to your colorful desktop.
- **Dual-mode Connectivity**  
The mouse is equipped with one 2.4GHz connection channel and two Bluetooth connection channels, allowing pairing with up to three devices. Switching between them is easy with a light press of the bottom function key, ensuring simple adaptation and efficient convenience.
- **Silent Keys**  
Silent primary buttons, offering a quiet click while maintaining crisp tactile feedback.
- **1200DPI Sensor**  
The mouse features a Pixart 1200DPI precision sensor, effortlessly meeting the demands of daily work and study.
- **Teflon Foot Pads**  
Teflon foot pads provide excellent wear resistance and self-lubrication, ensuring smooth and effortless mouse movement and positioning.
