

Xiaomi Dual-mode Wireless Mouse 2

WHITE	57863/BHR8849GL
BLACK	57864/BHR8850GL

- **Elegant curves, comfortable feel.**
Repeated external appearance refinement, meticulously crafted ergonomic contours provide comfortable palm support. Delicate surface processing enhances the skin-friendly grip sensation.
- **Colorful**
Black and white, two versatile colors, embody both sturdy fashion and a stable demeanor, catering to different needs.
- **Dual-mode Connectivity**
The mouse is equipped with one 2.4GHz connection channel and one Bluetooth connection channel. Switching between them is easy with a toggle switch.
- **Silent Keys**
Silent primary buttons, offering a quiet click while maintaining crisp tactile feedback.
- **1200DPI Sensor**
The mouse features a 1200DPI precision sensor, effortlessly meeting the demands of daily work and study.
- **Teflon Foot Pads**
Teflon foot pads provide excellent wear resistance and self-lubrication, ensuring smooth and effortless mouse movement and positioning.

Specs:

Model :	XMSMSB01YM	Item Dimensions :	111×64×40mm
Wireless Connectivity :	2.4GHz / Bluetooth Low Energy	Battery Type Used :	AA Battery
Product Material:	Plastic and metal, etc.	Rated Input :	1.5V \pm 50mA
Product net weight	62g excluding batteries
