

PURE SINE WAVE With STABILIZER LineInteractive UPS

PROTECH-2000

Protech series line interactive UPS with CPU control, pure sine wave output, wide input voltage, automatic voltage regulator quick transfer time and the charging current is optional. The long back up time models can be connected to external battery as per user's requirement of unlimited back up time.

Features

- ◆ LCD display
- ◆ Pure sine wave output
- ◆ Microprocessor - based digital control
- ◆ Boost and buck AVR for voltage stabilization
- ◆ Frequency adaptive
- ◆ Humanized alarm system
- ◆ Automatically diagnose when starts
- ◆ Cold start
- ◆ Intelligent battery management
- ◆ Output overload and short circuit protection
- ◆ Automatically charging battery at UPS off mode
- ◆ Intelligent monitoring USB
- ◆ Battery sealed lead acid maintenance free (VRLA)

Front panel :

1. AC Input Voltage / Input frequency
2. Output Voltage / UPS's internal temperature
3. Battery Capacity
4. Load level
5. UPS is working in battery mode
6. UPS is working in AC mode
7. Fan Failure
8. UPS will alarm in DC mode
9. Charging current mode
10. Turn on / Turn off / Silence function
11. Choosing the charging current
12. "OK" button for comming the charging current

Rear panel :

OUTPUT SOCKET
