

Redmi Buds 4 Lite

Advanced Bluetooth 5.3

More stable and faster transmission, lower power consumption, greatly improving the problems of interruptions.

12mm dynamic driver

12mm composite diaphragm dynamic driver enhances cavity texture and effectively reduces distortion.

20 Hours Long Battery Life

Playtime lasts for 5 hours from single charge and total 20 hours with charging case.

IPX4 Rated Water Resistance

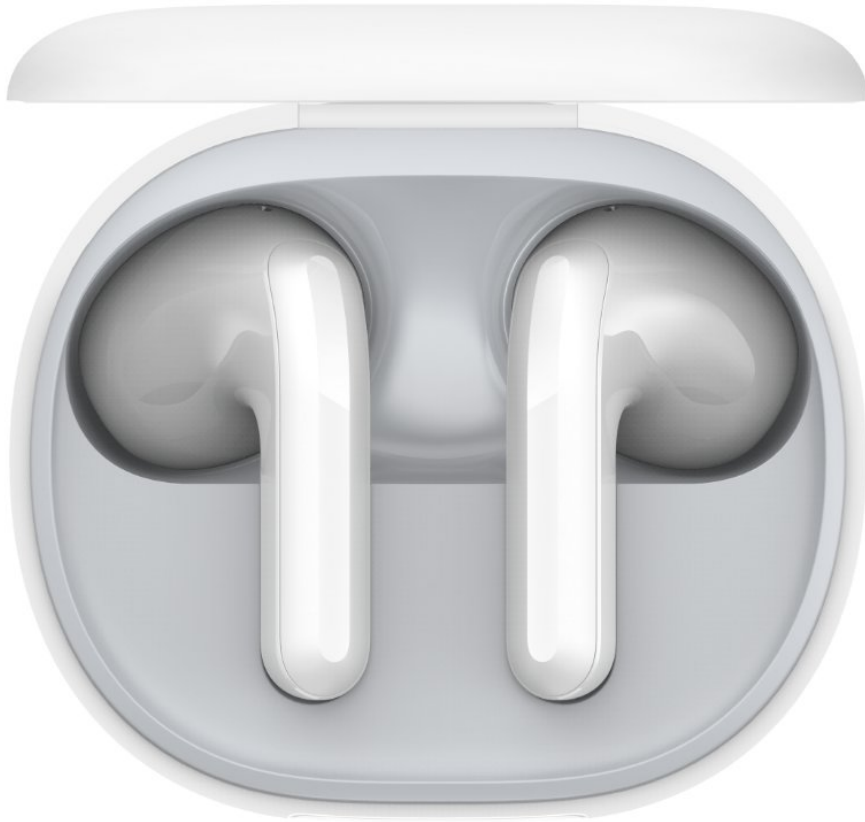

Protect the earbuds against sweat and rain, suitable for workouts.

Google Fast Pair

Support Android phone(Android 9.0+) open cover quick connection, and support headphone and charging case battery display.

Lightweight and portable

The weight of a single earphone is less than 4g, and the semi in ear design is easy and comfortable to wear. The overall weight does not exceed 35g, small and portable.
